Realizing that coaching within the Select League is a privilege and not a right, I do hereby agree to the following:

1. I will maintain a high level of integrity and professionalism both on and off the field
2. I will strive to develop players to the best of my ability, and work to improve my own skills through attendance in clinics and licensing as proscribed by the league and IYS.
3. I'll be reasonable in my demands upon players time, understanding that they have other interests.
4. I'll treat everyone associated with Select with a high degree of respect and dignity.
5. I will not abuse the referees, parents, other coaches, or anyone associated with the league activities.
6. I agree to allow the league to perform any background check as deemed necessary by IYS or the Select board of directors.
7. I agree to never use tobacco or alcohol at practices or games.
8. I will always have at least one adult, in addition to myself, present at any team function, practice, or games.
9. I agree to obey the rules of the Select League, and accept the conditions of the Media Guide and Conduct Code.
10. I understand that the use of foul or abusive language is grounds for removal from coaching privileges.
11. I understand that this is a seasonal year commitment for competitive soccer under IYS rules.

*With my signature, I acknowledge that I have read, understand, and accept these conditions as a requirement of coaching within the Select League. I understand that not upholding the terms of this agreement can result in removal from my coaching position.*
